

PaginationRenderInterface

```
classDiagram
    class PaginationRenderInterface
    class PaginationRender
    PaginationRender --|> PaginationRenderInterface
```

The diagram illustrates a class hierarchy. At the top is a gray rectangular box labeled 'PaginationRenderInterface'. Below it is a white rectangular box labeled 'PaginationRender'. A blue arrow points from the 'PaginationRender' box up to the 'PaginationRenderInterface' box, indicating that 'PaginationRender' implements or inherits from 'PaginationRenderInterface'.
