

SubFormInterface

```
graph BT; SubForm --> SubFormInterface
```

A UML diagram illustrating an implementation relationship. At the top is a rectangular box with a light gray fill and a black border, labeled "SubFormInterface". Below it is a rectangular box with a white fill and a black border, labeled "SubForm". A solid blue arrow points vertically from the top of the "SubForm" box to the bottom of the "SubFormInterface" box, indicating that "SubForm" implements "SubFormInterface".
